Safety & Compliance Solution

Who We Are

Founded in 2003, the Sentact team includes healthcare leaders, developers, and process experts deeply experienced in healthcare operations and technology.

Why We Are Different

Our platform is quick to implement, easy-to-use, and extremely adaptable. Our solutions are cost-effective and our clients see returns within months.

How It Works

We give you the tools to connect caregivers, automate workflow, and coordinate resources to provide better care at a lower cost.

Our fully integrated, cloud-based solutions are designed to optimize the efficiency and enhance the quality of the patient care environment across the continuum.
